

## Dressage NSW Annual Leaderboard Progressive Update No 2

June 12<sup>th</sup> 2024

Dear Members,

I have just updated the progressive leaderboard to reflect scores achieved for the period September 4<sup>th</sup> 2023 until May 27<sup>th</sup> 2024. If you have two or more scores at a grade you should appear on the relevant leaderboard. The final leaderboard and performance medal recipients will be prepared after the NSW Dressage Championships. Please have a look at the criteria on our website for more information about the leaderboard and performance medals or give me a call if you have any questions. Similarly, if you think there is an error please contact me by phone or email so we can work out what the issue is.

Combinations require 5 scores at a level to be included in the final leaderboard. Some riders have 5 scores already but if they achieve higher scores up to and including the NSW Championships the average will be updated.

Please check that you are in the correct category. If you are unsure about the requirements for competing as an Amateur Owner Rider, please refer to rule 4.6.1 in the National EA Rules. If you turned 21 in 2023 and are still showing as a Young Rider please also let me know.

Finally, I would like to remind you that you must be a financial member of DNSW for the period July 1<sup>st</sup> 2024 until June 30<sup>th</sup> 2025 to be eligible to be included in our Annual Awards. Membership is due for renewal on the 1<sup>st</sup> of July and is \$25.00 for the year.
