From the Editor Centreline - a new direction

Centreline has kept DNSW members informed and entertained for the best part of 40 years.

From its inception in the early 1980's as a black & white, 15-page issue to a glamorous full colour publication and to its current innovative digital production since late 2019, Centreline has invariably made its way into our homes.

The DNSW committee is now recreating Centreline to make greater use of today's social media opportunities and the digital E-Centreline in its current form will no longer be produced.

As the current editor of E-Centreline I undertook the challenging task of handling the changeover from paper to the electronic version. Given the new direction which the DNSW committee is taking Centreline I feel there is a need for fresh ideas and a new perspective, hence I will not be continuing in my role as editor. I will be on the side lines to offer whatever support that I can to a new editor.

In this, my last (mini) E-Centreline, I wish to thank all those who have contributed to Centreline over the past three years, particularly the talented graphic designer Jane Robinson who has given me so much direction and advice, taking my content and transforming it into a great magazine.

My time in the editor's chair has definitely been rewarding, and I am looking forward to the "new" Centreline of 2022.

Whiskers to Stay Put

The EA Board has voted to implement the recent FEI rule to ban the trimming of horse sensory hairs across all EA National Disciplines in the interests of horse welfare.

At the 2020 FEI General Assembly, a new rule that prohibits the clipping/shaving of sensory hairs was passed as part of the veterinary regulations, which came into effect on 1st July 2021.

Vibrissae, or sensory hairs/whiskers, are the long stiff hairs growing on the chin, mouth and around the eyes and are used as organs of touch by the horse.

The FEI Veterinary Committee believes that the horse's sensory hairs must not be trimmed or removed as it reduces the horse's sensory ability.

The FEI rule, which states that horses are not permitted to compete in FEI events "if the horse's sensory hairs have been clipped and/or shaven or in any other way removed unless individual sensory hairs have been removed by a veterinarian to prevent pain or discomfort for the horse," will now also apply to all EA National Disciplines.

There will be a transition period until 1st January 2022, when the rule will come into full effect. No elimination or penalty will be incurred during the transition period.

Clarendon – What Was and What Was Not!

DNSW and riders had a great return to Clarendon on the training day and protocol weekend from the 29th to 31st October.

The training day provided an opportunity to get horses and riders out in public after a lengthy lockdown, and then nearly 50 riders strutted their stuff on Saturday and another 30 rode a protocol test on Sunday.

Rodney's Photography, our official photographer, kindly came along on the protocol weekend and has generously allowed Centreline to use his great photos. Thank you Rodney.

And what was not..... was the training day, protocol day and weekend competition on the 11th to 14th November. Sadly the Hawkesbury received torrential rain and the grounds were unfortunately not fit for use.

Thank You Carolyn Lieutenant **E**-Centreline

After 50 years of involvement with dressage as an A level judge, Young Horse judge, mentor and FEI accredited Para-Equestrian judge as well as an elite rider and coach Carolyn Lieutenant is taking a step back from her beloved sport.

Carolyn Lieutenant has had an outstanding and multi-faceted career which broached dressage, showjumping, eventing and showing as well as breeding.

She received an Order of Australia Medal (OAM) in 2012 for her services to Equestrian Sports -- particularly in the field of Para-Equestrian and her coaching roles within the Australian Paralympic team. Among her many coaching roles, Carolyn was the head Coach of the Australian Para-Equestrian team at the Sydney 2000 Paralympic Games where the team won two gold and two bronze medals.

"I'm very humbled to receive this award. I've been involved in the sport all my life and I do what I do because I enjoy it, I'm fairly practiced at it now," said Carolyn at the time.

There have been many horses in Carolyn's life but one that holds a special place in her heart, as well as the hearts of many dressage fans is Victory Salute. Brett Parbery piloted Victory Salute to 9th in the 2010 WEG at Kentucky, and Victory Salute won 2 bronze medals in the 2008 Beijing Paralympics with Georgia Bruce in the saddle.

Carolyn has been an inspiration and a mentor for countless riders and fellow judges, as well as an astute dressage judge with a great eye. The dressage world says a heartfelt "Thank You" to Carolyn Lieutenant. Our sport is so much the greater for your involvement.
