BEST PRESENTED STABLE AISLE

Sponsored by Jenquine

This award will be judged by Dr Jennifer Stewart for the best presented stable aisle.

Your aisle must be always kept tidy as per SIEC rules however this year we will be awarding the best kept and decorated stable aisle. Please ensure that decorations do not upset any horses and are secure. You will be required to take down any unacceptable decorations by the Stable Manager.

Harmony Award

Sponsored by Byalee Stables and Ann-Maree Loury

The “Harmony” award is intended to recognise and celebrate the connection between horse and rider and reward a harmonious partnership, as well as recognising when riders demonstrate compassion, respect and comradery towards other competitors.

The warmup stewards will each

nominate one or more riders that they think demonstrate stand out qualities of horsemanship or sportsmanship in the warmup arena. The award should not be based on or influenced by competition results. The names of those riders or partnerships nominated will go into a hat and one name shall be drawn out at the end of each day of competition.
