

JUDGING CRITERIA for NON-COMPETITIVE EVENTS

The judging calendar for 2019 has become incredibly busy with both competitive & non-competitive events. With this in mind, the NSW Judge's Committee thought the reintroduction of an old judging criteria for non-competitive events might be warranted.

Below please see a straight forward guideline which may be put in place which enables judges to judge above their accredited level at Club Days & CR events. Hopefully this will ease the burden on organising Committees and give judges an opportunity to judge at a higher than their accredited level.

This system has been used successfully for some time by several Sydney bases clubs already.
